

RANDOLPH

There was a large crowd on Friday evening at the parish house, the occasion being the "welcome home" arranged by the townspeople for Dr. F. C. Angell. A supper was served at the usual hour, after which there was a program of music, in which Miss Lucile Grant sang. Wilmer Angell gave a selection on the cornet, and the address of the speaker, Dr. Angell, followed. He gave his experience in his 17 months of service, and this proved very interesting. Corp. Morrill, also present and just discharged from overseas, spoke briefly of his experience. The whole affair was a success and must have proved without a doubt that the people in town were glad to welcome home Dr. Angell and others who were present.

The Woman's Relief corps held a hit of miss supper in the hall of the G. A. R. on Saturday night, the occasion being the celebration of several birthday anniversaries. A birthday cake, was made by the president, Mrs. Ketchum, and decorated by Miss Mabel Guyette, which was presented to Ada Carr, who cut the same and passed to the others who were celebrating their anniversary. Another ceremony which did not properly belong to the relief corps, was the presentation of a cake to F. A. Bruce, with instructions that a fraction over half was to be for Mrs. Clara Averill, and this was presented by Mrs. Clara Averill to her husband, the presentation being by the president. Mr. and Mrs. Alfred Eaton, who were present were surprised to have a plant and flowers presented them by the president, this being the 32d anniversary of their marriage. A program of music, speaking and recitation, was given in a very acceptable manner. The program was opened by singing "The Star Spangled Banner," and closed with one verse of "America."

The grange held their meeting on Saturday night, with a very good attendance and after the conferring of the degrees, a town meeting was held, with P. B. Daniels for moderator. DOCTOR URGED
AN OPERATION

Instead I took Lydia E. Pinkham's Vegetable Compound and Was Cured.

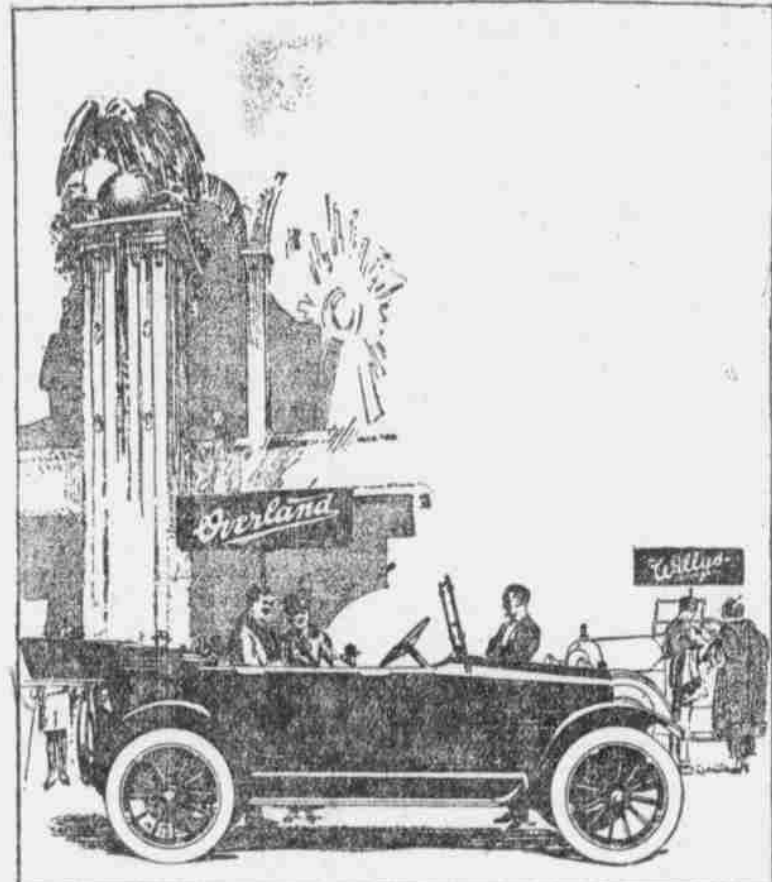

Baltimore, Md.—"Nearly four years I suffered from organic troubles, nervousness and headaches and every month would have to stay in bed most of the time. Treatments would relieve me for a time but my doctor was always urging me to have an operation. My sister asked me to try Lydia E. Pinkham's Vegetable Compound before consenting to an operation. I took five bottles of it and it has completely cured me and my work is a pleasure. I tell all my friends who have any trouble of this kind what Lydia E. Pinkham's Vegetable Compound has done for me."—NELLIE B. BRITTINGHAM, 609 Calverton Rd., Baltimore, Md.

It is only natural for any woman to dread the thought of an operation. So many women have been restored to health by this famous remedy, Lydia E. Pinkham's Vegetable Compound, after an operation has been advised that it will pay any woman who suffers from such ailments to consider trying it before submitting to such a trying ordeal.

Willis-Overland

Owners Are Better Guides than Specifications

Public appreciation is the most potent factor influencing the demand for Overland cars today. The confidence buyers have when ordering new Overland cars is the result of the esteem of 600,000 owners. This condition has its source in our original policy of placing owner-respect above all other considerations. This policy, to which we have adhered for ten years, has built the vast Willis-Overland factories occupying more than 120 acres. While our factories were giving precedent to war work we were enabled to devote painstaking, deliberate study and planning to the cars we now are marketing. We are in an even better position today to merit that public appreciation, on which the prestige of Overland and Willis-Knight cars is built.
